

## Second Year Booklist 2023-2024

### Please read carefully:

Dear Parent/Guardian,

Many of your son's/daughter's books are simply retained from 1<sup>st</sup> Year.

Books/stationary may be purchased in a bookshop of your choice.

The vast majority of books come with a **free** digital ebook also.

This ebook **must** be downloaded to the student iPad prior to their return to school for use in class. We ask that students use iPads (ebooks) in school and leave the heavy hard copy books at home.

**Please note:** iPads are used regularly for engagement with Schoology (our integrated digital learning platform) and many other apps (e.g. Kahoot, Quizlet, Duolingo, etc) during the school day. **Students are required to bring their iPad to school each day.**

There are a small number of other print books, copies, pencils, etc. that need to be acquired. These are indicated on the list below.
