## Fifth Year Book List 2024-2025

### Please read carefully:

Dear Parent/Guardian,

All books etc for 5<sup>th</sup> year should be purchased in a bookshop of your choice. If you are unsure of a level or subject choice, please wait to speak with the teacher **before** buying the textbook.

The vast majority of books come with a **free** digital ebook also. This ebook **must** be downloaded to the student iPad prior to their return to school for use in class. We encourage students to use iPads (ebooks) in school and leave the heavy hard copy books at home.

**Please note:** iPads will be used regularly for engagement with Schoology (our integrated digital learning platform) and many other apps (e.g. Kahoot, Quizlet, Duolingo, etc)

**Students will be required to bring iPads to class even if they choose to use hard copy books.**
